Creating an Ecosystem for Innovations

Various clubs have been working in the college campus to give flight to the dreams nourished in the hearts of the students. The ED club, Career Guidance Cell, activities of the departments in the college, etc. are all streamlined keeping this objective in view. Some of the major inroads made in this direction by the college are listed below:

The Entrepreneurship Club (ED club) -

The Department of Commerce following instructions from the Directorate of Collegiate Education runs an enthusiastic ED club to inculcate an aptitude for entrepreneurship among the students. Entrepreneurship awareness sessions are provided to the students to educate and inspire them to become entrepreneurs and thereby, foster a culture of entrepreneurship in society. The students discuss, organise and put to action various ideas into exciting creative ventures through small fests conducted in the college campus. The club not only focuses on entrepreneurial edges but also provides opportunities to students to showcase their talent in various skill fields like fabric printing, glass painting, craftwork etc. through skill fests.

The Career Guidance Cell (CGCC) –

The CGCC has provided ample avenues to students to decide on their future prospects. Many companies and institutes visit the college campus yearly and interact with final year students. Classes by professionals and skilled officers from diverse sectors provide openings to students on various fields of employment. The CGCC cell has a solid support from Kerala Some of the institutes that have come over to the college included RVS group of institutions, KAS Mentor, TCS, Edroots Agencies, GTech, KELTRON, etc. The ICT Academy of Kerala in collaboration with the Kerala Knowledge Economy Mission is actively associated in promoting the career prospects of the students of the college. As a culmination to the activities in this direction, a placement drive was also organised in the college as part of Connect Career to Campus 2023-24 project on 08th July 2024.

The Young Innovator's Programme (YIP) –

Young Innovators Programme (YIP) is an exciting initiative that encourages young minds to explore their creativity, problem solving skills, and innovative thinking. This is a platform designed for students who aspire to make a positive impact through innovation and entrepreneurship. It provides opportunities for young innovators to collaborate, learn, and develop their ideas into practical solutions. It connects participants with experienced mentors who guide them through out their innovation journey. YIP offers workshops, webinars, and skill building sessions to enhance participant's knowledge and skill. YIP provides a platform to explore, create, and contribute.

The YIP 2021-22 pre-registration campaign was conducted online. There were 27 varied themes for submission. Students were given guidance about idea registration and themes through online sessions. Resource persons from different themes conducted online classes for the students on topics such as “The Art of Innovations on the Screen,” “Design and Innovation,” and “Agile Mindset in Teens, Youth, Parents & Teachers.” Doubt clarification sessions were also held. Students formed groups of two to five, and four groups registered their ideas. The registered ideas were authorized by the mentors through their login IDs. After mentor authorization, the principal approved these ideas and submitted them.

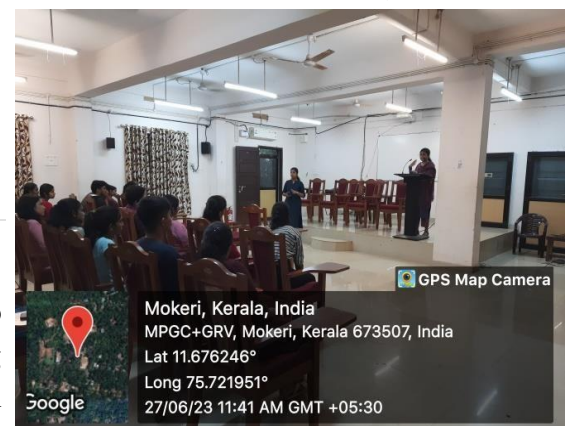

The YIP-5.0 pre-registration campaign was conducted in our college on June 27, 2023. Two resource persons from K-DISC facilitated this event. Around one hundred students from all departments registered through this process. The inauguration of YIP Idea Registration 2022-23 was performed by the principal. Following this, resource person Akshaya from K-DISC explained all the procedures for the pre-registration, and the students completed their registration using their mobile phones. She also explained all the idea fields by giving examples of ideas.

There were 27 varied themes for submission. Students were given guidance about idea registration and themes through online sessions. Resource persons from different themes conducted online classes for the students. Doubt clarification sessions were also held. Students formed groups of two to five, and two groups registered

their ideas. The registered ideas were authorized by the mentors through their login IDs. After mentor authorization, the principal approved these ideas and submitted them.

The programme aims to empower future innovators to innovate new products, services or models to meet emerging requirements also enhancing identified youth with design thinking, collaborative, creative problem solving and leadership skills.

The YIP 2023-24 pre-registration campaign was successfully conducted at our college on February 21, 2024. The event was facilitated by two resource persons from K-DISC, who provided comprehensive guidance to students on the registration process. Approximately 60 students from various departments enthusiastically participated and registered through this campaign.

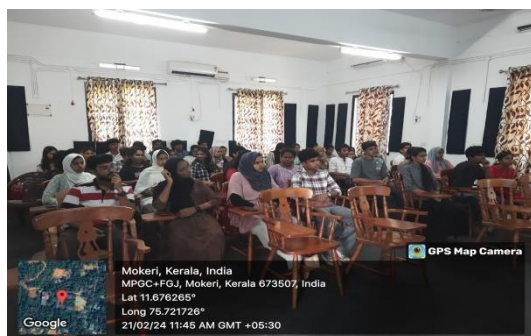

The event was inaugurated by our principal, who highlighted the importance of innovation and encouraged students to actively participate in the programme. Following the inauguration, resource person Vishnu from K-DISC explained the detailed procedures for pre-registration, guiding students through the online registration process using their mobile devices. He also provided insights into the various idea fields, sharing examples to help students better understand the themes.

Guidance and Online Sessions

This year, the programme featured 27 distinct themes for idea submission. Students received guidance on idea registration and theme selection through a series of sessions. Resource persons with expertise in different thematic areas conducted these sessions, ensuring that students had a clear understanding of the expectations and possibilities within each theme. Additionally, doubt clarification sessions were organized to address any queries or concerns raised by the participants.

Idea Submission and Mentor Authorization

Students made a successful submission of innovative concepts.

P G DEPARTMENT OF COMMERCE

“AMBITIO”-

**Mapping your future
CAREER ORIENTATION
Program**

Ambitio- mapping your future is the extension activity of PG Department of Commerce started during the year 2022 which emphasis to provide extensive career development of students by means of arranging career orientation programmes. The primary goal of a career orientation program is to empower individuals to make informed career decisions, develop necessary skills, and successfully navigate their professional journey.

The major objectives of a career orientation program is detailed below:

1. Help students explore different career options and understand various industries and professions.
2. Assist students in identifying their strengths, interests, values, and skills to align with potential career paths.
3. Support students in setting realistic career goals and creating actionable plans to achieve them.
4. Provide access to information about job market trends, educational requirements, and skills needed for different careers.
5. Offer resources and guidance to enhance essential skills such as resume writing, interview techniques, networking, and professional etiquette.
7. Help students develop a long-term career plan that includes short-term goals and steps for career advancement.
8. Familiarize individuals with career resources, including job search websites, career fairs, workshops, and counseling services.

GOVERNMENT COLLEGE MOKERI
REPORT ON ENTREPRENEURSHIP DEVELOPMENT CLUB
INAUGURATION
19TH FEBRUARY 2024

Government College Mokeri, Post Graduate Department of Commerce organized an Inaugural Ceremony of Entrepreneurship Development Club in association with JCI Kuttiady on 19 February 2024. The programme started at 11 pm with prayer.

The programme commenced with a welcome address by Sri. Rajesh K, Assistant Professor, Commerce Department. The Functions of ED Club for the 2024 was officially inaugurated by Sri. Mahesh PB, Assistant Professor, HoD Commerce Department.

As part of the ED Club 2024 inauguration, a work shop on Entrepreneurship was arranged by JCI Kuttiady, which was led by JCI PPP Rakesh Nair, Zone President, JCI India Zone XXI. In the work shop, the topic covering on Future Founders, Business talks, Presentation skill training, Business Idea presentation etc were deliberated. The sessions were not only professional and standard but also informative and proactive.

The renowned businessmen in Kerala, JCI Jithin Jose, JCI Sen Salim, JCI Gireesh P, JCI Sameer Oniyil and JCI Rajilal were handled different sessions and shared their experiences in industry and commerce. At the end of the workshop, the participants have come out with unique Business Idea and presented the same. Sri. Anilkumar R Assistant Professor extended vote of thanks.

PRINCIPAL
GOVT. COLLEGE MOKERI

Future Founders - Junior CEO Launch Pad

Future Founders - Junior CEO Launch Pad is a pioneering initiative by JCI India Zone XXI, designed to empower college students to showcase their innovative business ideas.

This program offers a unique platform for aspiring entrepreneurs, providing them with invaluable support through business talks and comprehensive training sessions.

Participants will have the opportunity to refine their concepts and gain the skills needed to navigate the dynamic landscape of entrepreneurship.

Join us on this transformative journey as we cultivate the next generation of visionary leaders.

The local organisations must participate in the initiative organising the following initiatives in colleges -

1. *Business Talks/ Business Trainings* (Mandatory)- Organize a business training or business power talks at the college , you may invite JCI Zone Trainers , National Trainers (Preferably experts in business trainings) Business Coaches , Entrepreneurs or Business Consultants.

2. *Presentation Skills Training* (Mandatory)- Organize a presentation skills workshop or training for the students , you may invite JCI Zone Trainers or National Trainers.

3. *Business Idea Presentation* (Mandatory)

Invite the students to participate in the business idea presentation contest and select the best three ideas and they should be rewarded with certificates and mementoes in a public event, participation certificates must be issued to all the participants

4. *Mock JCOM Table Meeting*(optional)

Organize a Mock JCOM meeting in the college followed by a session on business networking by the JCOM Coach. This will help students understand the importance of business networking and also motivate the students to join JCI.

Let's Make a Difference, For The Future!

JCI Sen Sabeesh Bhaskaran
ZC - Creative Young Entrepreneur.

RAKESH NAIR

TRAINER AND COACH

Having closely worked with millennials and generation Z for about a decade, Rakesh envisions professional development among the youth across the globe through high-quality, accessible, skill-based research oriented trainings. Believes that a blend of skill based training and re-engineering of thoughts would facilitate the youth of today towards a purposeful living which will include a balance of professional and personal lives.

TRAINING PROFILE

- Started Training Career in 2009
- Certified Training Author
- Best Trainer Award of India by JCI Winner in 2022
- Best Emerging Trainer Award of Kerala Winner in 2022
- Conducted Corporate and Technical Trainings in Singapore, Malaysia, Korea, Indonesia, Vietnam, Uzbekistan and Dubai

GOVERNMENT COLLEGE MOKERI
REPORT ON ENTREPRENEURSHIP DEVELOPMENT CLUB INAUGURATION
13TH FEBRUARY 2023

Government College Mokeri, Post Graduate Department of Commerce organized an Inaugural Ceremony of Entrepreneurship Development Club on 13 February 2023. The programme started at 11 pm with prayer.

The programme schedule was commenced with a welcome address by Sri. Mahesh PB, Assistant Professor, Head of the Department. During the welcome speech, he remarked importance of identifying and developing the entrepreneurial traits among college students.

The Principal Government College Mokeri Sri. Ashraf KK at his presidential address pointed out the need for ED club and its importance.

After the presidential Address the ED Club was officially inaugurated by Smt. Mini PS Nair, Entrepreneur, Founder of Kreedaa Female Fitness Centre Vadakara. She shared her struggles in conducting the business and motivated the students. There was an interactive session “ know the entrepreneur” and students were actively participated in the interactive session.

The function was ended by 12.30 pm with the vote of thanks given by Mrs. Harsha Das MP, Assistant Professor, Government College, Mokeri

As part of ED Club inauguration ceremony, the students of PG Department of Commerce arranged a food fest which was a grant success in terms of participation, content, professionalism, and diversity in food items.
