

# GOVERNMENT COLLEGE MOKERI, KOZHIKODE

## Community Outreach and Extension

The institution directs its activities towards building a learning environment that acknowledges and respects the diversity of the community, and ensuring that underrepresented voices are included in decision-making processes. The institution has taken initiatives that leverage the resources, expertise, and needs of the local community to enhance learning experiences. Infrastructure for community-based learning has physical, digital, social, and organizational components to support collaboration between educational institutions and the community. The college has two functional MoUs.

The institution ensures/undertakes the following in its attempt to provide community based learning:

### 1. Physical Infrastructure

- Regular updation of Library and ICT facilities for collaborative learning projects
- Classrooms, Auditorium, Seminar Hall, Audio Visual Room IT facilities etc. for bringing students, educators, and community members together for face-to-face activities.

### 2. Digital Infrastructure

- Online Learning Platforms facilitate remote interaction between learners and community partners.
- Platforms like Zoom, Google Meet, Teams to enable constant interaction between students, teachers, and community stakeholders.
- Devices and high-speed internet access in the campus ensures equitable participation in digital learning.

### 3. Human and Social Infrastructure

- Collaborations with businesses, non-profits, government entities, and other community stakeholders to provide real-world learning experiences are undertaken by departments as interactive sessions and invited lectures.
- Teachers and community facilitators who are skilled in integrating real-world community issues into the curriculum are made available in the campus.
- Parental engagement is also ensured in the campus activities
- The institution in keeping with the curriculum encourages learning through projects that have direct, positive effects on the local community, such as environmental conservation, public health initiatives, or social justice efforts.

### 6. Cultural Infrastructure

The cultural infrastructure within the institution is enriched via :

- Fostering a Culture of Reciprocity
- Inclusivity and Diversity

## **COMMUNITY OUTREACH PROGRAMMES**

### **Abhayam project – Sahapadikkoru Veedu**

As part of the Abhayam project a house was built. It was donated to Pranav Swaroop, a former student and NSS Volunteer Secretary of our college.

All the students and faculty of our college donated generously for the project. They also collected money from merchants, shop owners and nearby houses. All the construction work except the skilled labour needed for the house construction was done by the volunteers themselves.

### **Visiting “Thanal”-“Koodé”**

In collaboration with volunteers from other colleges, the NSS team members had participated in a Pre-Orientation class held at Thanal Old Age Home, Edacheri. The classes were taken by Anees and Illyas. Around 70 volunteers from the unit took part in the programme and supplied the necessary items to the THANAL inmates.

NSS volunteers handing over food items to Thanal

The CoK volunteers paid a visit to Thanal inmates at Purameri on 20/02/2024. It was an eye opener to all the volunteers. They got to know more about the lives of the inmates and everyone had tear filled eyes on returning from the venue. It helped to understand the apathies that trouble the inmates of Thanal and to induce humanness in the volunteers. The volunteers sang, danced and entertained the female inmates in all the three floors of their building. Watermelons and oranges were purchased in plenty and handed over to the officials for circulating it among the inmates. The fund collected from our food fest was handed over to the Thanal officials as a small token of love from our end. Capturing photographs within the Thanal premises was prohibited as those moments couldn't be made permanent in photos.

### **Visiting Govt. Mental Hospital, Kuthiravattom**

Forty CoK volunteers visited the Govt. Mental Hospital on 31/12/2022. It helped to understand closely the lives of the inmates of the Govt. Mental Hospital Kuthiravattom. . The volunteers interacted with the hospital staff and did selfless work in the hospital work. With

their collective effort, thousands of chappathis were made for the day. The students understood the lives of the inmates at close quarters. They were able to bear the load of work of the office bearers in the hospital for half a day. The visit was a thoroughly ennobling experience.

### **Helping Hands During General Election-2019**

As part of the special programme conceived by the District Collector, 75 NSS volunteers were deputed at their nearby polling stations during the time of the General Election-2019 for lending hands to the elderly and differently abled voters to cast their vote.

Their participation not only helped the smooth functioning of the election process but also could inculcate a new sense of democracy in the volunteers.

### **Book Donation Drive**

Group efforts were channelized among students to collect and compile necessary books to be gifted to the inmates of the After Care Home. Story books and magazines catering to the interests of the inmates of the After Care Home were collected. The books collected were gifted to the officers of the After Care Home.

## INTERACTION WITH KIDS

### **Visit to Mokeri L P School.**

Volunteers visited nearby schools on Children's Day and conducted various games and programmes to perk up the kids. The programme began with a prayer song by our volunteers.

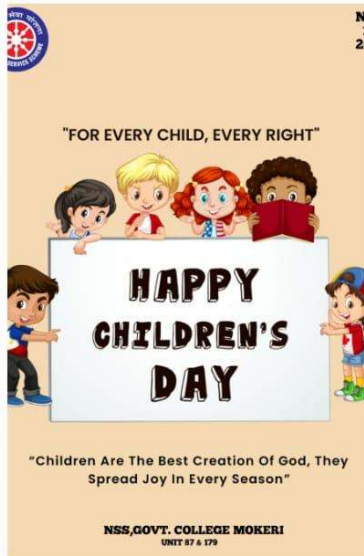

The team had a vigorous interaction with the children. They gave a short description about the life of Jawaharlal Nehru. Based on that a quiz competition was conducted for the kids. Winners were awarded with small gifts.

It was a fun filled day for students as they actively engaged in telling stories and singing songs. The day-long engagement with the 'little ones' gave remarkable experience for the volunteers too.

### **Visit to Anganwadi, Mokeri**

NSS volunteers presented entertaining cultural performances such as songs, dances, and skits.

## AWARENESS PROGRAMMES

### WORLD AIDS DAY

'World AIDS Day' was observed on 1<sup>st</sup> December 2019 by the NSS units to spread awareness about AIDS among the people. A Flash Mob was performed, at Kuttiady Town, as an awareness programme on prevention of HIV/AIDS. The assembled crowd enjoyed it and understood the causes and preventive measures for disease.

After the Flash Mob a rally was conducted nearby town in which students carried banners and placards which contained AIDS awareness slogans.

### **Street Play against Drugs – 9/6/2023**

On 9-06-2023, we organized an anti-drug awareness campaign at Thottilpalam bus stand, with a total of 55 volunteers participating in the program. As part of the campaign, a street play was performed at the bus stop to raise awareness about the harmful effects of drug abuse.

## ENVIRONMENT CONSERVATION INITIATIVES

### “Yuktha” – Thamarasseri churam cleaning –

On 03-06-2023, the NSS volunteers took part in the university-level program called "Yuktha," specifically the Thamarassery Churam Cleaning Campaign. This initiative is part of a long-term effort to clean the Wayanad-Thamarasseri Pass, a significant tourist destination in Kerala. The pass is currently grappling with a serious garbage accumulation issue, making this cleaning campaign crucial for environmental conservation and tourism sustainability. A total of fifteen volunteers and one programme officer participated in the event. They cleaned HP6 to HP8 of Wayanad-Thamarasseri Pass.

## Tree Plantation Program- 15-08-2023

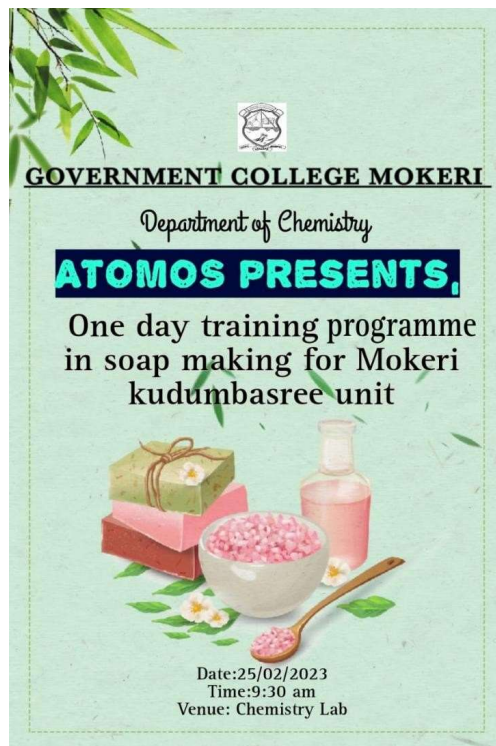

As part of the "Merimatti Mera Desh" initiative, Govt. College Mokeri's NSS Unit No. 087 & 179 organized a Tree Plantation Program on 15-08-2023. The aim of the program was to contribute to environmental conservation, promote green initiatives, and instill a sense of environmental responsibility among students and the community.

## Skill Development Programs

Extension activities are an integral part of our college's commitment to community engagement and development. The Dept of Chemistry conducted a soap-making extension activity for kudumbasree members and COK volunteers. The primary objective of this extension activity was to empower and train kudumbasree members in a new skill and thereby promote entrepreneurship and self-reliance among women.

The Soap making workshop was held on 25-02-2023 at Govt. College Mokeri. The participants included 20 kudumbasree members. In addition, training was given to students from other departments and COK volunteers. Hands-on demonstration of soap making was given by faculties from the chemistry department. Participants learned the art of soap making, which could serve as a source of income for them. Kudumbasree members expressed their interest in continuing soap making as a small-scale business. The soaps which were made during the programme were distributed among the college students and faculties.

*Soap making hands-on training for students and kudumbasree members*

### **MAKING OF PAPER PENS, FILES, PAPER BAGS**

To promote the green protocol within the community, NSS and CoK volunteers make paper bags, paper pens, paper files, and booklets. They distribute these eco-friendly materials to nearby households and shops. The products are in high demand, especially for gatherings, where maintaining the green protocol is essential.

*Students making paper pen, paper file, paper bag etc.*

## LED BULB MAKING

Students received training in LED bulb making from CoK coordinator, Sri. Sajeesh Kumar V K. Following the training, volunteers successfully made the bulbs themselves. These products were then sold at an affordable price to office bearers and local residents.

## SUPPORT AND RELIEF DURING TIMES OF CRISES

### Helping hands for flood victims

NSS Units of our college took some commendable steps to support the victims of flood in the year 2019.

The volunteers managed to procure and supply food and other necessities worth Rs. 7500 rupees to the collection centre at District Collectorate on 11/08/2019.

*Volunteers collecting money for flood relief activity from public*

Under the guidance of Mrs Rijila Nadh A P, NSS Cordinator, Wayanad District, the volunteers distributed necessary kitchen and household appliances worth Rs. 75,000 to five families in Panamaram, Wayanad, who were seriously affected by the flood. The unit collected money with the joint effort of both the public and faculties of our college.

*Volunteers distributing house hold thing to the flood affected houses*

*Programme officer handing over items*

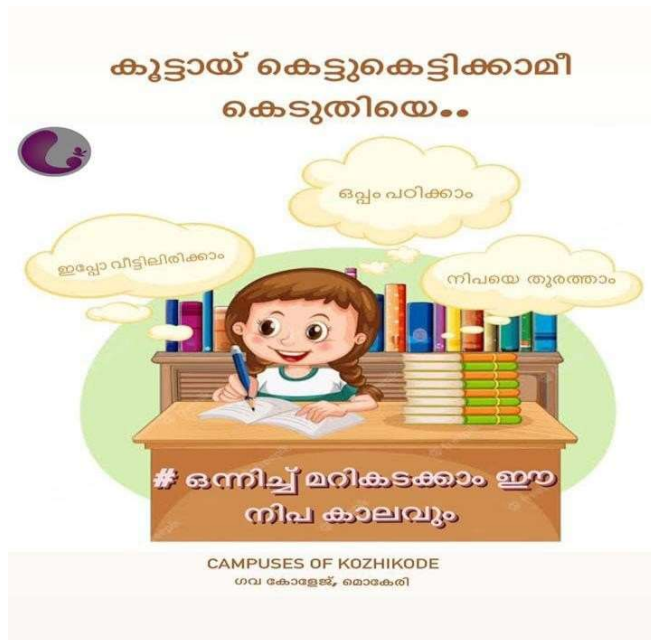

The NSS units, in collaboration with College Union, distributed food items and dress materials worth Rs. 50,000/- to one of the flood relief camps at Nilambur, Pothukkallu in Malappuram district.

*Post rescue cleaning activities, in around 17 houses at Thottilpalam, being undertaken by the volunteers*

## Preparation of awareness posters (spread of Nipah Virus)

Spread of Nipah virus was rampant in the district of Kozhikode especially in and around Kuttiadi which is adjacent to Mokeri. Educational institutions were closed down for more than a week to curb the spread of the deadly virus. To create awareness on the need to stay at home to prevent the spread of the virus, the students were asked to create awareness posters. It helped to boost the morale of the students to face the crisis with a positive mindset. Awareness posters were circulated via whatsapp messages to keep away growing fear in the minds of the learners regarding the fast spread of the Nipah Virus. The need for staying indoors was reiterated through the poster made and students were encouraged to get back in full form in their online classes. An online meeting was convened and decisions pertaining to preparation of the poster were taken. The design of the poster was also finalised.

### **Service During Covid- 19 Pandemic**

Both teachers and students of the college rose to the occasion, demonstrating extraordinary commitment to serving the community in various capacities. Understanding the gravity of the crisis, they engaged in numerous initiatives to provide relief and support to those affected. Students actively participated in distributing essential supplies such as masks, sanitizers, food, and medicines to underprivileged sections of society. Many students volunteered with local organizations and NGOs, assisting in relief operations, organizing vaccination drives, and helping in isolation centers. In response to the critical need for strict enforcement of COVID-19 safety protocols, several teachers from the college were appointed as sectoral magistrates during the pandemic. This important role placed them at the forefront of ensuring public compliance with health guidelines designed to curb the spread of the virus. They were actively involved in overseeing public areas such as markets, public roads and residential zones to ensure adherence to COVID-19 safety measures, including social distancing, mask-wearing, and crowd control.

## **Outcomes of Extension Activities in the neighbourhood community in terms of impact and sensitizing the students to social issues for their holistic development during 2019-2024**

The extension and community intervention activities of the college cater to various needs within the community, addressing important social challenges and nurturing a deep sense of social responsibility in the students. The college has committed to the holistic development and betterment of the marginalised sections of the local community. The college prioritizes the effective implementation of extension programs, sensitises the students about their social responsibilities and ensures that students are made aware of their social responsibilities through the active involvement of selected committees, which are led by both student leaders and teachers. Such activities provide the students with relevant learning experiences as well as contribute significantly to the welfare of the community.

Various organisations and departments of the college have partnered with local institutions and NGOs to meet the students' and community needs effectively. The Department of English has conducted extension activities during the academic year 2018 to 2023 collaborating with local govt schools and unaided colleges. The programmes focused not only on enhancing the language skills and interactive skills of the students, but also on their creative skills and critical thinking. The Department of Chemistry has organised a programme called School@Lab, where the students of teachers from nearby schools visited the chemistry and physics labs of the college. This initiative aimed to ignite curiosity and deepen participants' understanding of scientific subjects.

The institution continues to ensure the participation of students in community development programs through projects initiated by organisations like National Service Scheme and Campuses of Kozhikode (COK). The NSS unit of the college has adopted a local village and support their potters' community. They also conduct health awareness camps, health-check-ups and blood donation camps in collaboration with local NGOs and health department to spread the importance of good health and proper hygiene. The NSS has also helped two former students of the college to build houses using funds raised by volunteers. Environmental clean-up drives and flood relief activities are some of the other activities undertaken by NSS. The volunteers of COK has made visits to mental health centre, old age homes and provided for the needy. The students also involve in skill enhancement activities like LED bulb making, soap making, paper pen and paper booklet making.

The faculty of the college has played a key role in supporting the community as well. Faculty members from the Department of English have appeared on All India Radio in Kozhikode, delivering educational talks on topics such as the benefits of reading, drug abuse, artificial intelligence, and women's harassment. Many faculty members have also served as sectoral magistrates during the pandemic, contributing to the welfare of the broader community during a time of crisis. Through these diverse initiatives, the college continues to prioritize active student involvement in community service and outreach, ensuring that both students and faculty play a vital role in improving society.
